Dear Eileen,

I am writing to you to thank you and the rest of the members of the Bergen Irish Society for organising an exceptional programme during your recent Seachtain na Gaeilge. I know how much time and effort is required for small voluntary organisations to pull together such an extensive programme and its success is testament to the commitment and dedication of all involved.

This was my first time in Bergen and I am already looking forward to my next one. We are following up on the many constructive meetings and engagements we had while there and I will keep you appraised of developments.

I will also arrange to send you on a copy of the CD of the 1916 Documentary after we show it in Oslo, probably next month.

I would be grateful if you could forward on my appreciation to all those in the Bergen Irish Society who were involved in organising the Seachtain na Gaeilge/ St. Patrick's Day events for this year.

Yours sincerely,

Karl Gardner
Ambassador
